"A TOUR IN TIME"

A Message from Our President, Chuck Petty

The annual Eureka Heritage Society Home Tour is fast approaching! I hope everyone has saved the day for this great event. Invite your friends and relatives to join us on Sunday, October 2, from 12:00 to 5:00 as we tour seven historic Eureka structures ranging in age from a Victorian gem built in 1895 to a stunning midcentury modern home built in 1962. The homes will be featuring live music, and vintage cars will be parked in front of each home. We will have refreshments this year at the fabulous Masonic Temple building on G Street. The Home Tour is our major fundraising event for the year, so please help us make it a success. We can still use volunteers for docents and ticket takers, so call 444-3314 if you would like to volunteer. Tickets are available in advance at seven local ticket outlets (listed on the back page) or by calling the number listed above or on the day of the tour at each house. Advance ticket purchasers receive a \$3.00 price break per ticket! More information is available on our website at www.eurekaheritage.org.

Our preservation awards continue with the latest recipient being the Humboldt Senior Resource Center and the City of Eureka for their joint rehabilitation and ongoing maintenance of the old Washington School building at 1910 California Street. Look for more awards as the "Year of the Window" continues. The old Washington School has retained its original two over two double-hung wooden windows thanks to the College of the Redwoods Historic Preservation Program. All of our preservation award recipients in every category this year have maintained their original windows or restored them to original condition.

Our next event after the Home Tour will be the Windows Forum on October 22 at the Eureka Woman's Club from 10:00 a.m. to noon. We plan to have window experts present to discuss the merits of retaining and restoring historic windows versus replacement of historic windows with modern materials. Come join us at the Woman's Club and give us your two cents on historic windows.

A special thank you goes out to Kay Bradford, our newsletter compiler and editor, for her wonderful work on the newsletter over the past several years. This is Kay's last newsletter, and we really appreciate all of her hard work making our publication happen and look so professional. Thanks Kay!

SUMMER EVENT AT BLUE OX MILLWORKS

A big "thank you" to Viviana and Eric Hollenbeck for hosting our summer event. Eric demonstrated classic woodworking techniques using various antique machines and tools. More than 35 people enjoyed the day.

Eric at the jigsaw, utilizing efficient "foot treadle power"

Eric with the unique picket pointer/shaper

Eric turning a spindle on the lathe

A rare sunny day for box lunches on the lawn
